

## Theory of Change

Somaha Foundation is guided by the following Theory of Change when funding individual projects in the field of [nature conservation](#). Therefore, we would be grateful if you could mark the impact level(s) of your project in the red frame (multiple markings possible). Please send us the edited document together with the short project description by e-mail: [naturschutz@somaha-stiftung.ch](mailto:naturschutz@somaha-stiftung.ch). Thank you!
